A CELEBRATION *of*
Community Spirit

3 NOVEMBER 2016

Philippa Stahelin Guest Speaker

Philippa moved to Guernsey with her family 9 years ago and got involved with Headway soon after her arrival.

As a part-time fundraiser for the charity, Philippa's corporate experience came into play as Headway embarked on strategic change to enable it to run the right services for their members. During that process, Philippa took up the reins as Executive Director and from a once a week self-help group, Headway now delivers a range of services – cognitive, physical and social with the help of a dedicated and highly professional small staff team and excellent volunteers.

Rob Moore MC

Rob is one of Guernsey's best known broadcasters and journalists, covering the Bailiwick's main stories and events as ITV News Guernsey Editor. Rob will be linking live to the ITV Channel 6pm news to showcase the award winners.
